

**American Education Week is a celebration highlighting the importance of public education and to honor the dedicated individuals who work to ensure all students receive the quality education they deserve. Each day will have a theme and a conversation topic for you and your child to discuss at home. Education is a partnership, and here in NNPS, families and schools can work together to ensure our students are “College, Career, and Citizen-Ready!”**

**Monday, November 13:**

**Kick Off!** Staff members will wear sunglasses, because our students’ futures are so bright, we have to wear shades!

*Get out your old yearbooks and share them with your child! Talk about any fun memories you have from your time in school.*

**Tuesday, November 14:**

**“Leaders step up. We’re stepping into our future!”** Wear crazy socks.

*Tell your child about your favorite teachers when you were in school.*

**Wednesday, November 15:**

**“We’re setting goals for tomorrow!”** Dress for your future career.

*Discuss goal setting with your child. How have you set goals in your career, either in past or future? Share these with your child.*

**Thursday, November 16:**

**“We’re making a plan! We’re becoming college, career and citizen-ready!”** Wear a college t-shirt.

*Talk with your child about your hopes for their future and what steps might need to be taken to help them achieve these goals.*

**Friday, November 17:**

**“My future begins here!”** Wear Riverside spirit wear or blue.

*What you do today will impact who you are tomorrow! What are you doing each day at Riverside to help you meet the goals you have for your future?*

*College, Career and Citizen-Ready!*
