

You're Invited to Riverside Elementary's

Club Showcase!

Thursday, January 25th, 2018

2:30-3:15 PM

Riverside is a school committed to kindness through compassion and service! Biweekly clubs are preparing students to be citizen-ready through service learning projects impacting our school, local, and/or global communities. We invite you to see clubs in action, interact with students, and learn how kindness comes to life at Riverside Elementary School. We hope you can join us!
