

Aluminum Cans

Are your drinks in aluminum cans? If so, please rinse and recycle! The Riverside PTA will collect cans once a month! The first aluminum can collection is Wednesday, September 18th.

Paper

Every classroom has a paper recycling bin! We also have large recycling bins in the hallways. Paper and cardboard will be recycled daily. Students will weigh and track the amount of paper recycled daily, weekly, and monthly.

Shoe Recycling

Over 300 million pairs of reusable shoes are hitting landfills each year, Community Recycling is partnering with Riverside hoping to change the way people think about their shoes. CR has flipped the recycling triangle upside down and have mastered the most powerful 'R' - REUSE. Riverside is accepting pairs of women's, men's, and children's shoes, which may include athletic sneakers, soccer cleats, flats, high heels, dress shoes, work boots, and fashion or casual sneakers.

Markers

Crayola and Riverside are banding together to help kids understand the importance of their role in protecting the environment. Riverside students in the SCA will collect and repurpose used Crayola markers. The marker collection box is outside Room 9.

Plastic Bags for TREX

Recycle any of the following materials to help protect the environment: grocery bags, bread bags, case overwrap, dry cleaning bags, newspaper sleeves, ice bags, ziplock & other re-sealable bags, produce bags, bubble wrap, salt bags, and cereal bags. *All materials must be clean, dry and free of food residue. Collection boxes are in the main hallway.*

Books

Bears on the Bus is making a summer 2019 comeback! Books and popsicles will be delivered to Riverside students during the months of June, July, and August in the evenings. Gently used books will be collected throughout the school year to support this new initiative. Bins will be under the Kindness Tree all year.
